

# NO MEANS NO

*Matt Dubay, victim of life-rape.*

## **SO WHAT IS LIFE-RAPE?**

All sex acts must be consensual or they are rape, and a woman choosing to conceive a child is the ultimate sex act. Life-rape is being pressured into having a child with someone when you don't want to. Life-rape may be forced on you by a sexual partner who lies about using birth control or getting an abortion.

## **WHAT PART OF "NO" DO YOU NOT UNDERSTAND?**

Life-rape occurs when a sexual partner doesn't respect your wishes and thinks that a "no" to having a child really means "yes." They have wronged you by betraying your trust.

## **YOU HAVE A RIGHT TO SAY "NO" TO LIFE-RAPE**

No person, whether male or female, should be forced to support a child to whose conception they did not consent. Life-rape is an assault on you and your future. But you can fight back.
